This will be a great change in leadership for our chapter. We now have 4 past presidents on the board and 7 returning veterans. Fred Bauman together with Joe G and Mark S will mark a return to the roots this club was built upon as together they have well over 100 years of experience with the Ikes! Our job is now to support them in every way.

Upcoming Events

The Izaak Walton League of America will be putting on a Hunter’s Education class on October 21st 6pm-9:30pm (part 1) and October 25th noon-8pm (part 2). There is room for 30 students in the class. Students must register at www.iowadnr.gov for the class.

Engaging families and helping them enjoy the outdoors is a priority for League chapters nationwide. Starting a Family Adventures in Nature (FAN) Club can help your chapter attract families – and keep them coming back.

FAN Clubs involve simple activities, local partnerships, and leveraging social media to engage families and communities. League staff will highlight the simple steps for starting a FAN Club and the benefits they offer chapters, families, and youth. We’ll also walk you through the resources we’ve made available to help you, from templates for marketing materials to a comprehensive guidebook.

We’re offering this Webinar TWICE (at two different times) to give you more opportunities to participate.:
Wednesday, October 7, 2015
Session #1: 12:00-1:00pm ET
Register online: Session #2: 7:00-8:00pm ET (repeat of first session) After you register, you will receive a personal link to attend that webinar. Questions? Contact Rebecca Wadler at rwadler@iwla.org.

You can read more about FAN Clubs on the League Web site. We look forward to helping your chapter find new "fans"!
